

MY FIRST CONFERENCE 2025

9th Annual PhD Conference on Engineering and Technology

My First Conference is one-day international gathering of PhD and graduate students in engineering and technology, organized by the Faculty of Civil Engineering, Faculty of Maritime Studies and Faculty of Engineering, University of Rijeka.

The research results, based on submitted abstracts, will be presented during the conference program, and published in the MFC Book of abstracts. Upon selection, authors will be invited to submit full papers to the accompanying journals (Engineering Review; Pomorstvo).

Conference goals

- providing feedback to students for their ongoing research
- connecting young doctoral students from different institutions and different countries
- international and interdisciplinary networking
- international conference environment using English as the conference language
- improving presentation skills at a scientific conference

 September 22, 2025

 Faculty of Civil Engineering

 Radmile Matejčić 3, Rijeka, Croatia

 Important dates:

Abstract submission: 15.06.2025.

Notification of acceptance: 01.07.2025.

Final Conference Programme: 05.09.2025.

Other information

- no registration fee or other costs
- free lunch to all registered students presenting their research at the conference
- digital copy of the Book of Abstracts
- conference registration and paper submission- at the [conference web site](#)
